PROFILE

Dynamic individual with passion for continuous learning and problem solving.My collaborative spirit makes me an excellent team player, complemented by strong communication and presentation skills.

TECHNICAL SKILLS

>Programming in Java & Python	>MySQL	>Salesforce Development Using Apex
>Data Warehousing	>Machine Learning Algorithms	>Data Visualization Using Tableau

WORK EXPERIENCE

Salesforce Developer Intern-Sysintelli Software and Services (December2023-May2024):

Salesforce Expertise: Gained hands-on experience in Salesforce Administration and Development, including Apex, Visualforce, Flows, and SOQL.

Apex Triggers & CPQ: Developed custom Apex triggers for automation and worked with Salesforce CPQ to manage product configurations and pricing.

Process Automation: Built Salesforce Flows to automate business processes, enhancing efficiency without the need for custom code.

Recruitment App: Contributed to a Salesforce-based recruitment app for streamlined management of profiles, job openings, candidates, and applications.

PROJECTS

TEXT EXTRACTION USING OCR:
- Developed a Flutter-based mobile app with integrated deep learning for text extraction from images, including an audio read-out feature. Utilized Firebase for backend support and RNN for accurate text recognition.

WEB APP FOR STOCK PRICE PREDICTION:
- Developed real-time stock price prediction tool using FB Prophet to compare company trends, with Streamlit interface for visualization.

BIRD SPECIES DETECTION USING INCEPTIONV3:
- Built a Flutter mobile app with deep learning to classify bird species from images, providing Wikipedia links for more information. Leveraged Inceptionv3 for classification and Firebase for backend support.

EDUCATION

Keshav Memorial Institute of Technology, Hyderabad　　　　　　　　　　　Hyderabad, India
　　Bachelor of Technology (BTech)　　　　　　　　　　　　　　　　　　　　　　2020-2024
　　Major in Computer Science With Data Science
　　Cumulative GPA: 8.86/10

Narayana Junior College　　　　　　　　　　　　　　　　　　　　　　　　　Hyderabad, India
　　Intermediate　　　　　　　　　　　　　　　　　　　　　　　　　　　　　　　2018 - 2020
　　Percentage: 97.8%
　　Relevant Coursework: Maths, Physics, Chemistry

Sister Nivedita School(CBSE)　　　　　　　　　　　　　　　　　　　　　　Hyderabad, India
　　Secondary Education (10th Grade)　　　　　　　　　　　　　　　　　　　　2017 - 2018
　　Percentage: 92.8%

CERTIFICATIONS

- Data Visualization Empowering Business With Effective Insights (FORAGE In Colab WIth TATA).
- AWS DeepRacer Student's League -India 2022.
- Fundamentals of DeepLearning of Neural Networks- Upgrad.

EXTRA CURRICULAR ACTIVITIES

ABHINAYA THE DRAMA CLUB   Hyderabad, India
Club Head   Dec 2022 – Oct 2023
- Initiated and organized 3 cultural events.
- Worked as a Writer.
- Worked on two Short films.
